

HELPING YOUNG PEOPLE FOR THE SUMMER

The Youth Program Directorate is currently looking for people who would like to spend the summer months helping young people in difficulty. They will work as **educators for young people living in your Montréal youth centres**.

Are you a **Special Education Technician, Readaptation Officer, Counsellor in Reeducation, Behavior Management Specialist or Psychologist** working in a school setting?

Would you like to spend the summer months helping young people in difficulty?

Our young people need you!

This enriching professional experience will be an opportunity to acquire new skills that will benefit your work in school settings.

Primary Functions

- Plan and carry out educational activities to foster the autonomy, independence, and social integration of these young people
- Ensure the programming and animation of group activities
- Provide support to youth, their families, and partners in various activities
- Ensure record keeping and file management
- Work in tandem with your colleagues and other health and social service professionals

We are looking for **empathetic, organized, and autonomous people who enjoy problem-solving and working as part of a team.**

We are also looking for people who can work in English.

You will be offered a personalized welcome including an orientation, training, and a structured support plan.

Work Environment & Clientele

You will work primarily at residential facilities and group homes located on the Island of Montréal. In certain cases, there may be a need to visit facilities outside the metropolitan area.

You will work with a **multicultural clientele aged 3 to 21 years old** and their loved ones (family, coworkers, partners). Some youth live in situations where their safety or their development is or could be at risk (abandonment, negligence, psychological abuse, or serious behavioural issues).

Young residents at Youth Program facilities are cared for by virtue of:

- the Act Respecting Health Services and Social Services (ARHSSS)
- the Youth Protection Act (YPA)
- the Youth Criminal Justice Act (YCJA)

Schedule & Salary

Specific needs during the summer are from **mid-June to the end of August**. You will be available at least **one day per week and every second weekend**. However, all availabilities are welcome (full-time work is available) and we have needs on all shifts.

The salary is determined on the basis of the candidate's profile and experience, and ranges from **\$24.78** to **\$35.67** per hour.

Requirements

A college diploma (DEC) as a special education technician or in delinquency intervention techniques

OR

Have completed at least 60 credits toward a bachelor's degree in psychoeducation, criminology, psychology, sexology, social work, social services, or a dual degree in psychology and psychoeducation

OR

Have completed at least two university certificates in disciplines recognized by the institution

OR

Have completed a college training program (AED) in special education

Your participation can provide support and make a real difference in the lives of young people.
